

Technical sheet - PILOTIS CLAOUEY

 Black Sahara Marble

 Cararre Marble

 Carbon

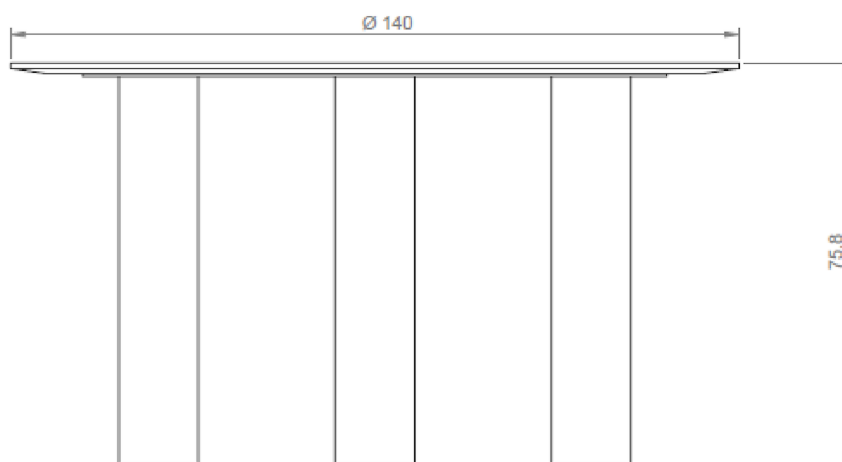

Care instructions:

- Marble: dust before cleaning. Moisten a cloth with warm water and black soap.
- Carbon: clean with glass cleaner or simply with soapy water.

Pilotis Collection - Claouey is a dining table with a basic shape and cylindrical carbon legs. It is reminiscent of dwellings built on stilts.

The carbon finish has a leather look that balances out the “minerality” of the top.

Details:

Design: Emmanuel Gallina

Materials: Cararre marble tray, carbon base

Dimensions: L. 140 x H. 75 cm

Weight: 110 kg

Marble is a porous material that does not tolerate heat or liquids. In case of incident, clean immediately with hot water and dry with a dry cloth.
