Shérazade screen

① Reference :K-PR214

Shérazade is a screen, all in carbon fiber, assembled like a mashrabie, according to a sophisticated geometric plan. It serves as an openwork partition and allows natural ventilation. It can also be adapted to custom-made door or window openings. Shérazade is also available with mirror inlays. It can be mounted on the floor or on the wall. This object with a strong personality, and poetic at the same time, will give character to your interior design.
